PREPARATION INSTRUCTIONS

It is the consignor's responsibility to sort, inspect, and count all items before the appointment. Appointments are limited to 40 pieces (sets, same brand-same size are considered a single piece if placed together).

All clothing must be FRESHLY LAUNDERED AND IRONED! Please carefully inspect all items for damage. The Kids Echo will not accept any items with stains, tears, pulls, pilling, damage to zippers or buttons or clothing that is aged or out of style. Remember to check under arms for holes, check pockets, check sleeves and hems for damage. In addition, please snap all snaps, zip all zippers and button all buttons to be sure that items are in proper working condition. **The ironing process is where most imperfections are found, so please do not skip this step!** All footwear must be in very good condition. Shoes, including laces should be washed. White rubber toes and soles should be cleaned (magic eraser works very well) and footbeds should be free of any toe marks or prints.

It is the consignor's responsibility to contact us (call, email, stop in) at the end of the day (of your appointment) to see if there are defective items that we could not take. Items with defects (tears, stains, holes, pilling, excessive wear) that are not accepted must be picked up by the consignor within 3 business days or the items will become property of the Kids Echo and may be donated or disposed of. **If you have carefully checked all items prior to your appointment, there should not be any damaged items to return.**

ALL CLOTHING MUST BE FRESHLY LAUNDERED AND IRONED! Do not fold or hang clothing. If possible, lay ironed items flat and place in tote or box, which will be returned to you at your appointment.
